Re: Zoraida Pena-Canal v. Mabelle De La Rosa Dann 4:09-cv-03366 CW

Dear Judge Ryu:

In the process of serving the attached Order, I discovered that I had neglected to complete Line No. 1 before it was submitted to the Court for filing.

Accordingly, I respectfully request the Court issue an Amended Order correcting that error. The proposed Amended Order has been lodged today.

Very truly yours,

Nancy E. Harris
